StoryThe game takes place in a fictional magical world, where you'll be introduced to a massive world with various locations, each is filled with exciting stories and adventures. With the forces of darkness and light are fighting each other, gamers of CABAL Mobile must find their way to defeat the evils that are lurking the lands. Progress through countless missions as you earn yourselves valuable experiences as well as rewards. Make your character one of the strongest heroes in the series and bring an end to the raging wars. Features Here you'll find all the amazing features in CABAL Mobile that would surely interest

you:Customizable characters with varied optionsAs you begin your game, you'll have the options to make your characters, especially the physical ones. Make uses of your designing talents and create some of the most iconic characters in the game. You can easily change your characters' genders, change their hairstyles and colors, adjust their skin tones, as well as adjusting their heights.In addition, as you progress further into the game, you'll earn clothes, weapons, and equipment that you can equip on your characters. This would not only provide them better stats but also make your characters look more stylish.Choose your fighting stylesIn the game, players are allowed to select between 6 different hero classes which are Warrior, Priest, Wizard, Defender, Swordsman, and Archer. Depending on your fighting styles, you should choose a suitable class for your characters.Warrior - These are naturally-born vandals who're capable of charging into the groups of enemies and causing mayhems to their lines. They are also quite resilient so you can use your warrior to sustain in long combats.Priest - Capable of using the ancient magic, these powerful priests are known to be capable healer and buffer for their teammates. Having a priest in your team is extremely useful since they can bring your low health back to its full relatively quick.Wizard - Also excel at ancient magic, but the wizards follow a different path compared to their priest counterparts. These characters are capable of releasing powerful spell attacks to the enemies, causing them to flee or disorder. If being used properly, you can even take down groups of enemies in a single blow.Defender - Although they're not as good at attacking the enemies like the previous classes, these heroes always come with exceptional defenses. This allows them to stay in combat for a very long amount of time, slowing the enemies down significantly.Swordsman - These heroes are known for their impressive attacks which can take down close by enemies in a blink of an eye. However, you must be careful not letting them get too close to the enemies since they don't have good defense such as Defenders.Archer - This class is best for those who're looking for a conservative approach to their battles. Being archers, you can keep a safe distance from the enemies and deal damages to them without worrying about being fight back.Simple and intuitive controlsThe game features a simple and intuitive control system which allows gamers to quickly get familiar with all the control options and commands. All the accessible features are properly displayed on the screen so you can have quick access to them. In addition, the optimized touchscreen controls and gesture commands make it extremely easy for gamers to move around and attack their enemies.Realistic and massive mapsTogether with the intuitive controls, the game also introduces a realistic world with massive maps for players to explore. Here, you can travel to multiple locations and take on varied missions. Complete your challenges and you'll earn valuable prizes for your characters.A convenient quick teleport systemTo make the game more satisfying, the developers at ESTgames have made the teleport system available. Now, gamers can easily travel between different locations just by accessing the teleport system. With simple touch commands, they can easily get to places without being disturbed. Hence, you can quickly gather the resources for your current missions and keep up the gameplay.Exciting RPG gameplay with realistic combatsCABAL Mobile features an exciting RPG gameplay with realistic combats, in which players can take on different roles on the battles. You can be the damage dealer, taker, or healer. Depending on the enemies, you can gather your teammates to help you defeat them. Experience the thrilling and intense combats as you make uses of your epic spells and attacks to take down your enemies.Collect epic weapons and equipmentTo make your characters more capable for your next missions, gamers in CABAL Mobile can collect weapons and equipment along their journey. Choose the right set of items that can promote your powers effectively and you can easily take down the enemies.In addition, you can collect certain resources to power up your items, making it easier for you to take on your challenges.Train your characters and level them upAlong with the items, having your heroes to collect enough experiences to level them up is also important. With each level increase, you'll earn skill points that can be added to your stats and skills to improve your capability in battles. Make sure you use the skill points cleverly to make your characters more effective during battles.Complete exciting missions and earn valuable prizesWith exciting missions, CABAL Mobile allows players to truly immerse in the magical world of CABAL.
